

SITES I'VE DESIGNED:

<http://robinetdesign.com> - my own site - just a portfolio - in need of updating

<http://carbonraindesign.com/> - site for a fashion designer/trend forecaster/merchandiser, Sujeet Sennick -

<http://sheepishgreen.com/> - new site for a boutique heirloom (rare breeds) sheep farm - wool, wool products, fleece and sheepskins e-commerce site - temporary site while I design the final version; testing site is here:

<http://robinetdesign.com/SGreen/> (expected live date: March 2011); also design their email HTML and print marketing materials

<http://skyviewphoto.ca> - Truck-and-mast aerial photography, a mobile near-aerial photography service (testing phase)

<http://iancurrie.com> - research, analysis provider for the Canadian government

<http://mccraestudios.com> - a commercial photography studio - rotating images, slideshow portfolio galleries, with a members-only login section. To be added at a future date: a blog and technique section.

<http://foundationresearchgroup.com> - a research facility

<http://gtatech.ca> - a tech supply and services company - also designed their logo and service marks

<http://amorefinefoods.com> - a catering company - also designed their logo and print design - brochure, business cards

<http://debratosh.com> - A Realtor's RE/MAX site with galleries and slideshows for listings; also do her print design, ad work and HTML email marketing

<http://carlcashin.com> - an author of plays poetry and short stories; just opened a new theatre company in Quinte County

<http://prettyneatorganizing.com> - this is the temporary site - final site in progress; awaiting content

<http://bellevilletheatreguild.ca> - a non-profit theatre company in Belleville (at The Pinnacle Playhouse) - I also do their print work: Ad design, poster, brochure, post card, programmes, ad design for the programme, etc.

<http://comprehensivebenefits.ca> - Health Plans site for McGill Health Services, with emphasis on products from Geat West Life, PLANDIRECT (GWL), Blue Cross and Sun Life Financial for (primarily) entrepreneurs

<http://yolandavanderkolk.com> - an artist's concept site - site is presently undergoing improvements and updating

I ALSO MAINTAIN AND UPDATE A FEW SITES THAT I DID NOT DESIGN INITIALLY:

<http://cnbpa.ca> - an .ASP site for a Dutch networking group - recently re-designed - I also design their printed marketing materials and HTML marketing pieces for their events; posters, table-talkers, flyers/handbills, greeting cards, business cards and Powerpoint logo presentations

<http://mcgillhealth.com> and <http://comprehensivehealth.ca/> - Health and Group Health Insurance and Financial site aimed at entrepreneurs. I also design their PDF forms and HTML email marketing for their insurance products.

<http://www.comprehensivecoverage.ca> - Health Plans site for McGill Health Services, with emphasis on products from Geat West Life, PLANDIRECT (GWL), Blue Cross and Sun Life Financial (there are 6 other sites in this group which I oversee and maintain)

OTHER:

<http://rosedalecomputers.com> - (a computer and supplies store) - designed their new logo

http://robinetdesign.com/pdfs/CD_package_Tosh_and_Cooper_single.pdf - Music CD design - Tosh + Cooper

Service Metrics - Logo Design; their programmers are still working on their database site; a service analytics company (secret shoppers)

David Ludmer - law firm (mock-up stage - waiting for approval for initial artwork for layout)
